VOLUME 19 NO. 11

DECEMBER 1994

AT THE MARK FROM THE FLEET CAPTAIN

The 1994 Racing Season has been successfully completed, the results and winners are set forth in this issue. At the Fall dinner we were privileged to receive a new perpetual trophy that is designated for the winner of the Memorial Day Race. The trophy, and the race, will be referred to as the Dennie Bowersox Memorial Day Race.

The trophy was designed by Nancy Gong, it is a glass etching of a sail boat,

EDITOR'S NOTE: I am sure everyone member will agree, Bob Hotchkiss has done an outstanding job the past 3 years as our commodore. One of the many tasks of the commodore is to come up with witty articles for every issue of LAKE SOUNDINGS. (that's 11 articles a year!!) This month I thought it would be nice to give Bob a break. After all in 3 years he has said it all and said it well. I, however, hope that after December 31, we will still publish occasional articles from Bob.

**THANK YOU BOB FOR ALL YOUR HARD WORK.
YOUR EFFORTS ARE VERY MUCH APPRECIATED.**

mounted on a plate. Hopefully we will have a new trophy case in the club house where all will be able to view this beautiful piece of art work. For now, if you want to see this trophy, you will need to visit the 1994 recipient, Jim Ely of Moonrise. The trophy was given by Kathy Bowersox in memory of Dennie Bowersox. He was an active racer, and also Fleet Captain at the Club from 1992 until his untimely death in 1993.

At the Fall dinner we were treated to Brendon Hanna's sense of humor about racing, from the crew's point of view. We are in hopes of obtaining a hard copy of his delivery to publish in Soundings. Just remember his comments are those of the crew of Summer Snow, and may not necessarily reflect the opinions of other crews. (It better not anyway)

Please remember to check your PHRF certificates, and see Joe Davis if you need to update yours. If you wish to start racing always feel free to contact myself, or any of the other racers to get the necessary information.

This marks the last entry for myself as Fleet Captain, as of January Dave Keller will be setting forth words of wisdom for this column. There are so many individuals who have assisted me with my tenure that it is difficult to thank everyone here. Shall we just say instead... I could not have done this without all of you.

See You On The Race Course.
