## Signals from the Commodore

By Dave Weagley

Dear members,

This is my last article as Commodore and I really have enjoyed the past two years. It's been a pleasure working with the boards and I'd like to thank everyone for their help in making Pultneyville Yacht Club a fun club.

The Fall Banquet was a great success with 121 people attending. We had an excellent meal and some good stories. Larry Fedick received the Commodores Service Award for 1998 so when you see him extend congratulations.

Keep talking to your friends about joining PYC for 1999. We need to start building the membership and fill more docks. Bob White has already started the recruiting and may have a new member. I think we should have a contest to see who can sponsor the most new members. To help orient new members in 1999 we will be asking the sponsors of new members to give the new member a short tour and explain the operation of the club. We will be working on a check list to help this process.

Please plan on attending our annual meeting on Sunday December 6, at 1PM at the Pultneyville Fire Hall. This is your chance to vote for the 1999 officers and for the 1999 budget. It also gives you a chance to ask questions or express your opinion about the club. Thanks to a suggestion from Barry Hall we will have two tables set up for used boating articles, one for free and one for sale items.

We'll see you at the Annual Meeting.

## The Secretary's Corner

by Bob Hamilton

The November Board meeting was held November 18th and the continuing focus was the 1998 and 1999 budget plan discussion. Details of both plans will be shared at the General Meeting in December.

Membership status is currently at 126 Voting, 9 Non Voting, 7 Soundings Only. The 1999 membership renewal is in this issue of the Lake Soundings. Please promptly return the applications and fees to me. If you know of new member candidates, please have them contact Wendy Axtell to initiate the process.

Remember you must be a member in good standing to continue your membership in the club. That means that your workday assignment has been completed, and all dues and fees paid. If you still owe a day, or dues and fees, make sure that this is corrected before December 31, 1998, or your membership will not be renewed.

It has been a busy and productive year for the Yacht Club and for me as my first year as Secretary. I would not have been able to accomplish all the Secretary chores without a lot of help from "The Staff".

So special "Thanks for a great job" to:

**LAKE SOUNDINGS** is published monthly for PYC members, February through December. This newsletter is printed on recycled paper. Please save it to continue the cycle. Letters to the Editor, suggestions, commentaries, wit, memoirs, tales, seaworthy tips and maritime art are welcome. Disk, e-mail, typed or printed material must reach the Editor by the published deadline. Submissions will be edited and published as space, temperament and accommodations allow.

### *Note from the Editor/Publisher:*

*For the last two years my wife Clara and I have had the privilege of publishing the club's monthly newsletter The Soundings. It was an enriching and enjoyable activity for both of us, despite the time commitment it implied. We are very grateful for the opportunity to contribute through this important communication vehicle to our club. We hope our tenure was a positive one. It is time now to pass the torch to someone with fresh and innovating ideas. Our thanks go to all of the members, specially those who contributed with articles, suggestions and encouragement.*

*Sincerely,*

*Jaime and Clara Forero*
