

Signals from the Commodore

We are pleased to announce that **Paul Cannon** has answered the call and volunteered to be our club secretary for next year. Thanks Paul!

We had a good time at the Cups and Flags banquet. Thanks to **Don Byrnes** for organizing the awards and to **Kathy Fedick** for coordinating the evening.

Pole Barn construction is wrapping up for the year. Thanks to all that have volunteered. Your help is much appreciated.

Steve

Notes from the Vice Commodore

The Fall Banquet on November 11th was well attended, everyone seemed to enjoy the evening. The Ontario Country Club staff did an excellent job in decorating the room for us and the food was delicious. **Don Byrnes** did a fantastic job presenting the annual Racing and Club awards. Thank you, Don.

Thank you to **Jerri Schiff** for helping me plan the event this year. We missed you both at the Banquet. Thank you to **Ann Teese** for visiting all the places in the Fairport area where she received the donations for some of our prizes. Thanks to the Pultneyville Deli Company and Lagoner's Farm for the donations they gave me to give out. Hope all the winners enjoy these donations.

We start the month out with our **December General meeting on December 3rd 1pm @the Pultneyville Fire Department**. Please bring your favorite hors d'oeuvres or dessert to share. Come out and catch up with everyone. Later that evening is the **Annual Illumination of the Pultneyville Hamlet @4pm** this starts out at the Pultneyville Reformed Church with caroling then moves over to the pavilion behind the church and Williamson-Pultneyville Historical Society with cookies, coffee, cocoa, chili and hotdogs to enjoy. There is always a wonderful fire to enjoy with a special visit from Santa.

Gates Hall has **Seussical** being performed on November 24, 25, 26. December 1,2, 2017. Tickets: **Gatesinger Box Office -315-589-3326** or online @www.gateshall.com

Please think about signing up to Host/Help at an event next year. We start the year out with our Annual Cabin Party hopefully in mid-February. I will have a sign-up sign to pass around. This is a terrific way to meet all the club members. Grab a friend and sign up.

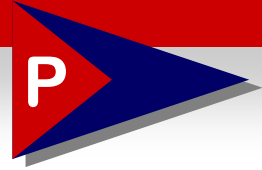

Thank you for all the support throughout this past boating season.

Enjoy your holidays.
Kathy

LAKE
SOUNDINGS

From the Engine Room

The last one. I think that the hardest job that I have had to do as Rear Commodore to do is the monthly article for Soundings. I am looking forward to not having to write another. I would like to take this time to thank everyone who has helped make Pultneyville Yacht Club the best kept secret on Lake Ontario.

I am not sure how we pulled off the past summer with the high water, but we did. Hopefully, this coming spring we can remove all the temporary dock additions and get back to normal.

A few reminders for the winter at PYC. Make sure that your mast, if it is stored on the mast racks, is tied on. Check your winter covers on a regular basis. I noticed a few tarps that are quite loose. A loose tarp can act as a huge sail and, if it is tied to your jack stand, it can pull the jack stand out. That reminds me, don't tie to your cover to your jack stand. Make sure that your chains between jack stand are tight. Also, the water in the club house has been turned off.

Thank you for your support over the last three years. Have a great winter and I will see you in the spring.
Have a great holiday and happy new year.
Tom

Fleet Captain's Report

We have skippers and crew that work mentally and physically to be in first place. I enjoy seeing them race around the marks. I really enjoy looking to stern to see them approaching the mark. Congrats to our winners!!
