June 2023

Signals from the Commodore:

It was great seeing everyone who attended the Memorial Day Cookout, Commodore's Review and enjoyed the good food, camaraderie, and perfect weather.

Looking beyond the June 3 workday, we have several events on June 10, including the Commodore's Brunch, General Membership meeting, New Member Reception and John Ely Memorial Moon Race.

We hope to see everyone there.

Volunteers are still needed for the Commodore's Brunch event. Anyone interested in volunteering can send an email to cm_@pultneyvilleyachtclub.org or text/call 860 304 8266.

Regards
Dan

Flares from the Vice Commodore:

We had our first in a while *Commodore Review on Saturday May 27*. After a slow start following an impromptu work detail moving the masts; several vessels dressed up and paraded about with an impressive display of flags.

It was a beautiful day and it was great to see so many members for the Memorial Day cookout after the Commodore's Review. So many thank you's to all the helpers that showed up to make the cookout a success, I appreciate your support! Notes from the Rear Commodore:

Greetings PYC members, new and old. As you know our June 3rd workday will be a joint effort between A-K and L-Z. Looking forward to a safe and successful and dry event. I would like to thank everyone who was involved in the last-minute move of the masts and picnic tables in the pavilion. Just another example of PYC dedication. I cannot thank **Jeff Talon** enough for his tireless effort in obtaining our dredging permit. Thank you to our lease negotiation committee, capital improvements committee and our Commodore **Dan Socci** for his support. Charlie

From the Secretary's Pen:

Hello PYC,

2023 Membership Logs and membership cards are at the Clubhouse, ready for you to pick up. Each log has the membership unit's names printed on the back. Please don't take anyone else's Log. If you want an extra copy let me know.

Thanks to Cailin for helping to distribute the Logs and cards. Thanks too to Cathy MacDonald who helped get the corrected membership cards to you all.

Our June General Membership Meeting is coming up on Saturday June 10 at 2:00 PM at the Club. Due to travel schedules, materials for the meeting will be sent out a few days before the meeting. Keep an eye on your email for those,

Happy sailing,

Membership News:

Hello everyone! It is so good to see the boats out in the Lake and our members enjoying the beautiful weather we've been having. The Memorial Day Picnic last weekend was a huge success with over 60 of our members joining in for our first social event of the season.

Hopefully you will come and join us on June 10th to welcome our newest PYC members who will be introduced following the General Meeting. It is a great way to let them know what our community is all about and get to know them!

There's good news that I have just been notified that the EC has approved two more new memberships. **Ryan and Mohapatra Norris** have recently purchased "No More Salt" previously owned by Don Smith and are very much looking forward to their upcoming season at PYC!

Tim Tompkins has recently brought his 25 ft. Harris 250 Crown power pontoon boat into the harbor. Tim has had many boats in the past 30 years from small cabin cruisers to large 30+ vessels. He is looking forward to meeting and socializing with fellow boaters and to participate in activities with the PYC boating community.

I am pleased to say I am incurring what seems as higher interest in joining this season. Many calls refer to the fact that they have visited PYC and like what they see! Now that things are opening for the season and more businesses are available, there are more opportunities to post our flyers and brochures to spread the word that we have memberships and docks available and provide a special opportunity for a great overall experience. Thankfully, we continue to get responses from our flyers, Facebook info, and the ads....so PLEASE contact me if you need flyers, brochures or have suggestions.

We all need to work together to increase our memberships.
Hope to see you June 10th if not before!

Cathy MacDonald, Membership Chair
